

Directions for 4-Door Book

1. Fold a sheet of paper into a Shutter Fold.
2. Fold the shutter into a Hamburger.
3. Open the Hamburger and cut the Valley on the Shutters only, creating four tabs.
4. Re-fold it into a Hamburger, with the fold at the top.

The 4-Door Book is patented by Dinah Zike and may be found at: <http://www.dinah.com/egroup/Archives.htm>
